(2019)

You Know You Want to... Take the Next Step in Your Career

- Demonstrate the pride you take in your work.
- Challenge yourself.
- Verify your skills.
- Become certified.

We Invite You to Prepare for Certification

NAHUC Provides the Tools to:

- Assess Your Current Skill Level.
- Grow More Confident as You Learn More about the Skills and Knowledge in the Exam.

You Can Do This

- Inform - Gather as much information as you can.
- Study – Learn about the exam format and the exam content.
- Register – Select a target date for the exam and register online.

Did You Know?

1. The content outline of the exam lists all the topics where the test questions come from.
2. There is a list of study resources published in the exam candidate handbook.
3. NAHUC offers a 50-item practice test to assist you in assessing your current skill level and prepare for the exam.
4. NAHUC offers four learning modules in areas of the exam content.
5. One of the modules explains more about the exam and how to create a timeline to prepare for the exam that includes tasks under the steps of Inform, Study and Register.
6. Consider preparing for the exam. Visit www.nahuc.org and click on certification.
