August 16 & 17, 2027

45th Annual Education Conference

One-of-a-kind, two-day professional development event

Join us at the Embassy Suites Alexandria Old Town in Alexandria, Virginia for inspiring sessions, professional growth, and the energy of in-person connection. Health unit coordinators serve as the hub of the nursing unit: strengthening communication, supporting the frontlines of healthcare, and shaping the patient and family experience. And in Alexandria, a city that invites every visitor to unlock their story, we will highlight how coordinators unlock possibilities and elevate their impact across the care team.

Open to all Healthcare Support Team Members, their supervisors, educators, administrators, and everyone involved in healthcare. This includes, but is not limited to, health unit coordinators, unit secretaries, unit clerks, business service associates, healthcare support associates, health unit assistants, medical secretaries, medical assistants, nursing assistants, patient care associates, patient access staff, & unit customer service representatives.

Do not miss this unique opportunity to connect, learn, and grow together with twelve hours of insightful education. Conference 2027 will celebrate your vital role in coordinating care with excellence.
